## LIFE & CAREER

Born and raised in small town Sevierville, TN Kelsey Cate is a powerhouse singer with a passion for country music.

Since she was a small child, Kelsey began performing around her town where she quickly learned that music would be what she would pursue. Whether it was singing in the church or singing at a county fair, she found that her happy place was on the stage with a mic in her hand.

After moving to Nashville in 2015, Kelsey worked alongside a variety of musicians and performers. During this time, she learned from Nashville's finest musicians and developed her unique style that she performs today.

Kelsey's style draws influence from artists such as Patty Loveless, Lee Ann Womack, Jo Dee Messina, and many other powerhouse women of country music.
